**RESPONSE OF TRUMP MAKE AMERICA GREAT AGAIN COMMITTEE
AND BRADLEY T. CRATE, AS TREASURER, TO THE COMPLAINT**

Respondents Trump Make America Great Again Committee and Treasurer Bradley T. Crate (collectively, "the Committee"), by and through undersigned counsel, submit this response to the Complaint in MUR 7255. The Complaint points to no provision of the Federal Election Campaign Act of 1971, as amended ("FECA"), or the Commission's regulations that the Committee allegedly violated, nor does it assert any allegation providing reason to believe the Committee violated federal campaign finance law. Accordingly, the Commission should dismiss this matter and close the file.

Furthermore, it is worth making clear for the record that Complainant admits she made a recurring \$150 contribution to the Committee, and intended to contribute a total of \$600. Nonetheless, as the Complaint acknowledges, the Committee has refunded Complainant for all but her original \$150 contribution.

Respectfully submitted,
